

STAIN ACTION

FABRIC PRETREATER AND STAIN REMOVER FOR BLEACHABLE COLOURED STAINS

- Suitable for the pre- and post- stain removal phases
- Suitable to be used both in professional and industrial laundries
- Optimized to be used with the Oxipur system products in order to decrease the rewashings

Fabric pretreater and stain remover for bleachable coloured stains such as coffee, wine, fruit, grass and Coke. Can be used on most fabrics made of cotton, polyester, cotton/polyester, wool, silk and viscose. Ideal for removing stains that cannot normally be removed through mechanical washing, in order to decrease the rewashings.

STAIN ACTION

② HOW TO USE

Apply the product directly onto the stain. Let it work for 15 minutes, then wash with the cycle suitable for the type of fabric. In the case of particularly tough stains, repeat the operation, adding the DEG ACTION product, and rub with a brush.

For further information, please contact the Sutter Professional technical service.

📄 DILUTION

Ready to use.

🔍 TECHNICAL DATA

ASPECT: Opaque liquid

COLOR: White

PERFUME: Technical

COV: 0,00%

PH	Active substance [%]	Density (g/ml)	Pressure (bar)	Viscosity (cP)	Total dry residue [%]
3,5 ± 0,5	16,8 ± 0,5	1.05		600 ± 150	

⚠ WARNINGS

Causes serious eye irritation. Wear eye protection. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

WARNING

📝 NOTES

If treating delicate or coloured items, before using, check for colour fastness on a hidden area of fabric. Be particularly careful when using linen, polyamide, Lycra and acrylic fabrics. Always respect the washing indications on the clothes labels. Store at room temperature. Do not decant the product from the original container.

Before use, please always refer to the Technical Data Sheet and the Safety Data Sheet, with the exposure scenario, of the product. Use the PPE specified in the Safety Data Sheet.

Sutter Professional cannot be considered liable for any damage due to improper product use.

Only for professional use. Safety data sheet available on request.
