LONG LASTING

## Pink Peony & Patchouli

**A refined and radiant perfume, where floral delicacy intertwines with a soft, enveloping sensuality.**

The opening is fresh and juicy, with citrusy notes of mandarin that blend with the velvety sweetness of pear sorbet.

At the heart of the composition, the soft and silky pink peony blooms, its romantic character enhanced by a bouquet of rose, violet and jasmine.

The base notes reveal a warm, structured trail of patchouli, elegantly softened by white musk and delicate vanilla.

**The final impression evokes a elegantand sophisticated sensation, enveloping the room in an intense floral scent.**

- **Essential oils**: Patchouli, Black pepper, Cedarwood, Lavandin.
- **Patented anti-odour technology**, for effective neutralisation of unpleasant odours and a long-lasting scent.

## HOW TO USE

1. Move the dispenser to ON. 2. Press the dispenser right down at least 2/3 times to freshen the air (pressing for longer will make the scent more intense and long lasting) by spraying small amounts into corners, rubbish bins, carpets or wherever unpleasant smells linger.
