NATURAL* DEGREASER

- Effectiveness tested against market leader in a ISO 17025 certified laboratory.
- Produced with raw materials from natural origin, fully biodegradable*
- No CLP pictograms

Degreaser for the daily cleaning of all surfaces. Ideal in the kitchen, for the daily cleaning of greasy dirt. Excellent also as pre-treating agent for fabrics before machine washing. Also suitable for the cleaning of internal surfaces within boats, ships and other transport. It contains vegetal origin raw materials (e.g. surfactants) coming from the processing of corn. Apple vinegar scent, allergen-free (Reg. 648/2004). Phosphate and nickel-free (less than 0.01 ppm). Dermatologically tested product (human patch test - not tested on animals). The absence of CLP warning signs means that the product is safe both for the operator and the environment, provided it is used according to the usage instructions and to the other information on the label.

HOW TO USE

Spray the product on the cloth. In the case of excessive dirt, spray directly onto the surface. Rinse in case of product residual.

DILUTION

Ready to use.

The suggested dilution allows to economize and reduces the environmental impact to the minimum. This product is not intended for large-scale cleaning.
